6. **GENERAL SPECIFICATIONS FOR ARMORED VEHICLES:**

6.1 **SPECIFICATIONS:** The Contractor shall provide Armored SUVs in accordance with National Institute of Justice, Ballistic Resistant Protective Materials, NIJ Standard 0108.01, Level III IAW NIJ-0108.01. See website <http://www.eeel.nist.gov/oles/Publications/NIJ-0108.01.pdf> for complete details. At the discretion of the Contracting Officer's Representative, vehicles may be required to provide Level III NIJ compliance documentation.

6.1.1 All vehicles shall be model year 2006 or newer, in excellent running condition and equipped with operational air-conditioning, spare tire, toolbox, and highway reflective markers.

6.1.2 Tires shall have hard rubber inserts in the run-flat tires, not steel. Radiators shall have a bullet guard in front. Bullet-proof engine protection shall be installed. Armored windows shall be one composite piece of glass.

7.2 COMPLIANCE WITH COLOMBIAN SUPERVIGILANCIA REGULATIONS: Colombian law requires that all companies leasing armored vehicles be registered with the Supervigilancia and that each individual vehicle also be so registered. Rental vehicles must be owned in the name of the company leasing that vehicle. Each vehicle must be insured to the limits required by law in the name of the vehicle's owner. Prior to award, the selected offeror will be required to provide proof of proper registration, ownership and insurance for each vehicle to be supplied under this contract.

7.3 SAFETY AND MAINTENANCE: Each vehicle shall meet all Colombian safety requirements and have, as a minimum, the following safety features: rear and front lights, rear view mirrors, windshield wipers, parking brake, and horn. Both the exterior and interior of the vehicles shall be free of excessive soil, rust and damage. Corrective and preventative maintenance shall be provided as needed at the site where the vehicle is being utilized.

7.3.1 The Contractor shall be aware of all local safety requirements and ensure that all reasonable efforts are made to protect all persons from harm and U.S. Government property from damage.

7.4. VEHICLE DAMAGE: The Contractor is responsible for all damage to the vehicle, including wear and tear. However, in the case of documented damage to the vehicle as the result of hostilities against an authorized US Government occupant, the Contractor may request compensation from the US Government. If the contractor is insured, the Government shall be responsible only for the deductible portion of the claim. In the case of an accident or a vehicle breaking down, the Contractor shall provide a replacement within 30 minutes. Failure to respond for either service, or breakdown within the time frames stated herein shall be a basis for credit to the Government as shown in the PRS.

7.4.1 The Contractor shall establish procedures that will provide the Government caller with a service "Control Number" for verification of date/time that service was requested

8. SUBCONTRACTING: Subcontracting is not authorized under this contract. The vehicles leased shall be owned by the company.

9. VEHICLE SUBTRACTIONS: Contractor will provide the option to reduce number of vehicles. Notification will be provided with a minimum 15 days notice. Contractor will reduce monthly charges by monthly pro-rated vehicle price.
